FRIDAY NIGHT LIGHTS

15TH ANNUAL BLACK TIE GALA

This wonderful evening gathering serves as the premier annual fundraising event for The Hope Chest Scholarship Foundation (HCSF). Proceeds of this gala aid in closing the financial gap of students aspiring towards higher education.

HCSF provides financial assistance to minority New Jersey students attending a college, university, or trade school for “full time” study. Our awards are based on demonstrated need and academic achievement. In addition the LTD program of the HCSF serves to equip our students with additional tools for success.

The Black Tie Gala was initiated by the board and the planning committee to raise scholarship dollars and build awareness of student financial need while bringing together community members and professionals for a common cause. Now in its 15th year, the Gala has helped the HCSF award over 2 million dollars since its inception and its success has impacted the lives of hundreds of students.
