THE HOPE CHEST SCHOLARSHIP FOUNDATION

An Evening in Venice

HCSF's Fall 2021 fundraiser benefiting graduating New Jersey minority high school students seeking to further their post-secondary education.

You're Invited!

The Hope Chest Scholarship Foundation (HCSF) wishes we could meet in person this year for our fundraising event, but again, we will have to improvise and create a fun and engaging, COVID conscious event. We still plan to greet our sponsors, patrons and friends, in an effort to thank you for your support of our mission through such difficult times. Your generosity and support have allowed us to enter a new decade of helping bridge the financial gap that prevents many students from pursuing higher education. Student debt is one of the greatest challenges of this generation; let's work for change...let's invest in the future, which involves supporting our New Jersey youth!

October 29th is yet another opportunity for you to join our movement and become a proud member of *The Hope Chest Circle of Support*. Please share in a rewarding experience by becoming an event sponsor. Your commitment has helped advance the organization tremendously. Despite the challenges of the pandemic in 2020-2021, we have been able to achieve the following with your support:

- Increase the size of student awards
- Maintain a robust Leadership, Training and Development Program LTD
- Increase diversity in minority student participation
- Increase corporate sponsorship and employee participation
- Sustain individual donor support

We again thank you and look forward to what we can do together in 2021-2022 for deserving New Jersey students who become our *Hope Chest Scholars!*

More details for October 29th gala will soon follow.

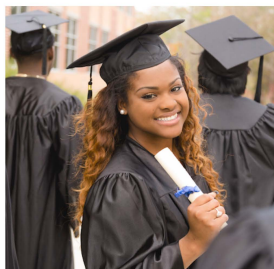

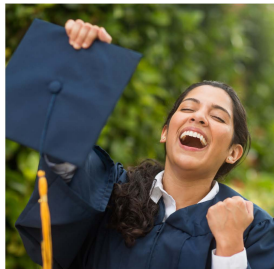

Our Special Request

*Join Our....
Circle of Support!*

HCSF is very proud to have granted over 2 million dollars in scholarships to over 600 students, spanning more than 15 counties, but our work is not done! At present, the cost of college education and student debt continues to rise. The urgency in our communities to raise public awareness on this issue remains. The time for action is now to increase scholarship availability.

Help us give back and plant seeds in the form of financial support. The seeds planted will bear the fruits of increasing attendance rates, increasing graduation percentages, and the ultimate result - a visible, positive change in our society, and in young people's quality of life. Invest in their future; they deserve it!

*We kindly ask that you
join our team of
dedicated community
advocates as we set
new goals to help the
youth of New Jersey.*
